Background for learning purposes

In the SEEL project we design two background musics which are available as OER. On is an activating background music and the other on a relaxing one.

Teachers can use it as a sound background during lessons to enhance concentration and focussing of the learners.

We integrated both background musics on the SEEL Website with an audio player. It can easily be started and used. The background are constipated for a regular school lesson of about 45 minutes.

So, the duration of the background are:

(a) Activation 50:35 min

(b) Relaxation 45:04 min

The screenshot shows the SEEL website interface. At the top, there is a yellow header with the SEEL logo, the text 'Sound in European E-Learning', and the Erasmus+ logo. Below the header is a navigation menu with links: HOME, SEEL PROJECT, PROJECT PARTNERS OF SEEL, DOWNLOADS, SOCIAL NETWORKS, GALLERY, and CONVEYOR / LEGAL NOTICE. The main content area is titled 'Classroom Soundfiles OER' and includes a search bar. Below the search bar, there is a description: 'Find here to sound file for use in the classroom as background music.' and two items: (a) Activation 50:35 min and (b) Relaxation 45:04 min. A large audio player is displayed, showing the 'Activation' track with a progress bar and a star rating. Below the player, there is a list of tracks: 1. Relaxation (45:06) and 2. Activation (50:37). On the right side, there is a 'RECENT POSTS' section with several links: 'Great final of the SEEL project', 'Partners in Paderborn', 'Final Conference of the SEEL project in Paderborn', 'Interesting discussions before the final conference', and 'Have a look at the Online Course Creator'. At the bottom right, there is a calendar for October 2016.
